VIA ELECTRONIC FILING

The Honorable Jocelyn Boyd
Chief Clerk/Executive Director
Public Service Commission of South Carolina
101 Executive Center Drive, Suite 100
Columbia, South Carolina 29210

**Re: 2023 Integrated Resource Plan for Dominion Energy South Carolina, Inc.,
Docket No. 2023-9-E**

Dear Ms. Boyd:

As required by Order No. 2020-832, Dominion Energy South Carolina, Inc. (“DESC”) is providing the Public Service Commission of South Carolina with a “summary update on IRP Stakeholder Advisory Committee meetings occurring since the previous report”, which is required on a semi-annual basis. The last report was filed on September 12, 2022, and included the minutes from the meeting on January 20, 2022¹ (Session VI), as well as the presentation materials and minutes from the meetings on March 24, 2022 (Session VII), June 8, 2022 (Session VIII) and July 26, 2022 (Session VIIIA).

These and other reports were filed in the 2020 IRP Docket, Docket No. 2019-226-E. Between now and the next triennial comprehensive IRP, DESC intends to file reports on the IRP Stakeholder Advisory Committee in the present docket.

The present update includes as *Appendix A*, the minutes and presentation materials for the Stakeholder meetings of October 19, 2022 (Session IX) and as *Appendix B*, the minutes and presentation materials for the Stakeholder meeting of December 7, 2022 (Session X).

¹ The presentation materials were provided in the February 11, 2022 report. The minutes for Session VI were not available at the time of the that report and, as a result, were provided in the September 12, 2022, report.

The primary focus of Session IX was Stakeholder engagement since Session VIIIA, key takeaways from the 2022 IRP Update, and planning for the 2023 IRP and changes in inputs. In Session X the Company and Stakeholders considered, among other topics, the 2023 DSM Potential Study, the new probabilistic Planning Reserve Margin Study, the 2023 Electric Vehicle and Charging Infrastructure Study, modeling inputs for this 2023 IRP, and implications of the Inflation Reduction Act of 2022 (“IRA”) on future IRPs. Session XI is planned to be held in the spring of 2023.

Please contact me if you have any concerns or questions concerning this filing.

Respectfully submitted,

A handwritten signature in blue ink, appearing to read "Belton T. Zeigler".
